Each of the documents is considered relevant because of its citation in the enclosed Search Report and for the reasons stated therein.

This U.S. patent application was filed after June 30, 2003. The U.S. patent document identified on said form PTO/SB/08A is not enclosed herewith since the USPTO waived the requirement to file copies of U.S. patents and U.S. patent application publications for U.S. patent applications filed after June 30, 2003 (See 1276 OG 55 (05 August 2003)).

No Patent Office late fee is required because a first Office Action on the merits has not yet been received. If it is determined that a fee is required, please charge our Account No. 06-1378.

It is therefore respectfully requested that the attached publications be considered and made "of record".
